

anime catalog

THE
RIGHTS
stuff
INTERNATIONAL, INC.

This year has been a roller coaster, from national tragedy to personal ones. I wanted to take the time to thank many of you who wrote personal notes to me regarding my loss.

We've decided this year to condense down the listings for long series in order to make this reference a bit more manageable. Individual volume descriptions will still be posted to our website, if you desire more information about a specific product. There are going on 10,000 items now available, and we decided to try to keep the book down under the size of a major metro phone book.

You'll notice lots of bargains in this year's book, especially on VHS. The industry is moving further and further away from this medium, with almost no new releases on the format. Will videotapes go the way of vinyl and cassette tapes? It's hard to say; but you will need to buy a DVD player soon to enjoy the latest releases.

Have you been to our website lately? There's a flurry of activity as we continue to add new features and functions to help you as our customer. When you register on the site, you can check your order status on-line, get shipping updates and tracking information, and receive special offers! This year, by popular request, we've added functionality for you to use the coupons in this catalog on the site, too!

Of course, Got Anime members receive an additional 10% off our already low prices, as well as bimonthly updates of releases and much, much more. You can save big money by becoming a member, check out the details inside.

We have continued our efforts to separate materials which are inappropriate for children; you'll notice this section is sealed and perforated for easy removal. Please rip this section out and dispose of it if these titles are not of interest to you.

Here's to another great year of anime, may it continue to grow and prosper!

Warmest regards,

Shawne Kleckner

Mecha Madness

by Brett D. Rogers
edited by Kris Kleckner

So what is mecha, anyway? Mecha can mean many things, but for the purposes of this article, let's define mecha as a term - short for mechanical - that refers to the robots, machines, and cyborgs that permeate anime. Often, mecha denotes the genre of anime that features the use of giant robots, mechanical suits, and cybernetic implants.

Boasting its own fervently dedicated group of fans, mecha has become its own sub-genre in anime.

Mecha is a pillar of anime that boasts fervently dedicated fans of its futuristic battle scenes, intricate robot designs, complicated human characters, and dark, dystopian plots. The humans associated with mecha can be heroic or cowardly. Mecha can be superheroes or threats. Mecha can represent the hopes and fears of humanity without being fully human.

The West and World War II

In the post-WWII aftermath atmosphere, Japan was ready for a change. Having seen its technological failures during the war, the country was forced to come to terms with its archaic practices. Frederik Schodt, manga researcher, wrote, "The emperor, in a letter to the young crown prince at the end of World War II ... wrote that Japan has lost the war because 'our armed forces put too much emphasis on the spiritual side and forgot science.'"

Even pacifists such as Osamu Tezuka, one of the founding fathers of modern anime, "realized very clearly that Japan lost the war because of science and technology ... While the U.S. was dropping atomic bombs, the Japanese military were trying to light forest fires in America by sending incendiary balloons made of bamboo and paper over on

the jet stream. We developed an inferiority complex about science and technology."

Taking their lessons to heart, Japan emerged from the post-war din with a new constitution and a new perspective ready to embrace the use of technology in industry and entertainment. The mastering of technology became an expression of Japan's new age, its ability to address and overcome the weaknesses that led to its defeat.

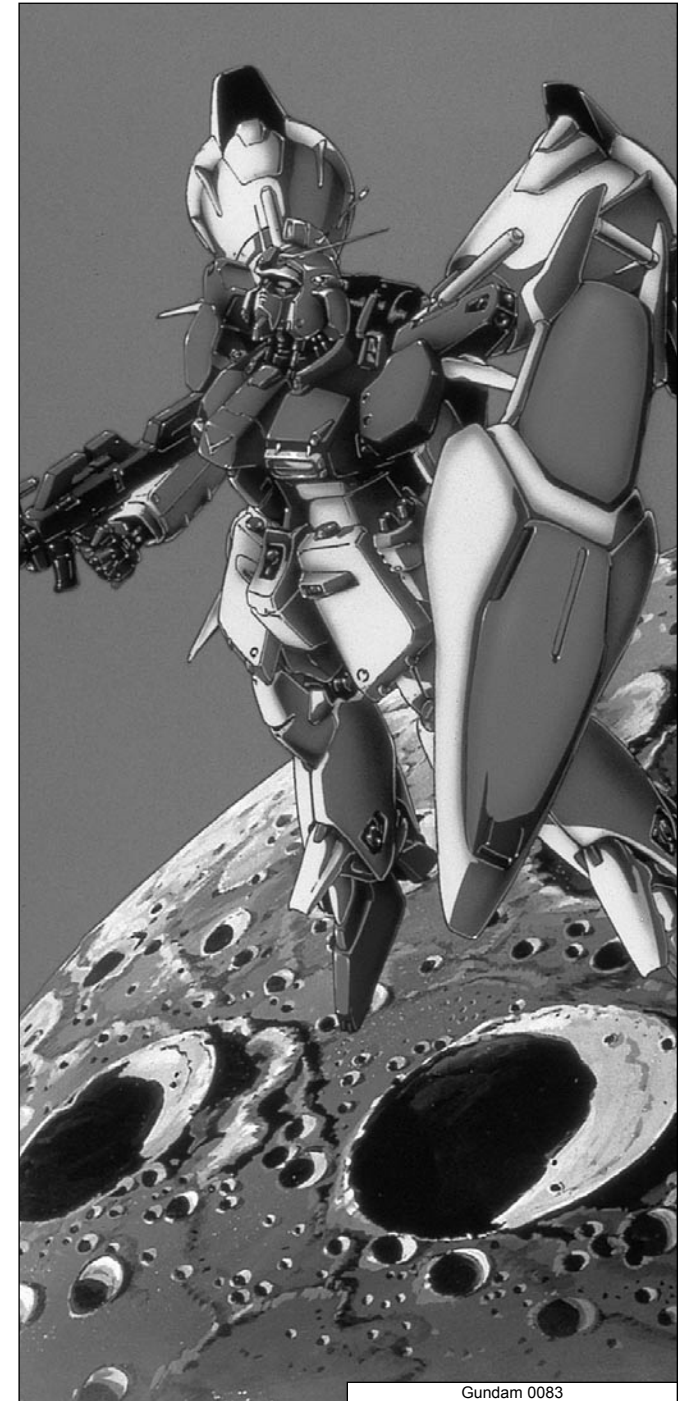

With the hope of technology on the heart of the Japanese people, but the fear of its deadly potential still weighting heavily upon their minds, the country was given a hero... Tetsuwan Atom.

If All Started with an Atom: Mecha as Superheroes

Wielding an unwavering interest in the exploration of the relationship between humans and technology, Osamu Tezuka created the first weekly anime series on television in 1963 starring a heroic little mechanical boy, Tetsuwan Atom (Astro Boy).

Heavily influenced by translated copies of Karl Capek's "Rossum's Universal Robots", a 1920 play that coined the word "robot", the writings of Japanese science fiction author Juza Unno and Pinocchio, Schodt writes that "Tezuka ... created Atom to be a type of twenty-first-century Pinocchio, a nearly perfect robot who strove to become more human (i.e., emotive and illogical), and also to be an interface between two different cultures - that of man and that of machine."

Filled with allegories of discrimination, racism and technophobia, Tetsuwan Atom was a reflection of the times in which Tezuka lived and the hopes of combining these two elements for good. With a kind-hearted robot resembling a normal boy fighting against the evils hidden in a fantastic world of technology, the show quickly won the hearts of the Japanese. The show went on to enjoy success around the world and even nearly 40 years later, the mecha superhero that Tezuka created is still a deeply embedded

Gundam 0083

cultural icon that heavily influences modern anime.

Birth of the Giant Robots: Mecha as super weapons

While Tezuka was busy creating a positive spin on technological for the good of human kind, much of the Japanese population still vividly remembered the effects of the technological monsters that had wrought their devastation on Nagasaki and Hiroshima. Juza Unno reflected that mecha could be used as much for good as it could for violence and evil, especially when it came to the might of Japan's military. While a deadly military weapon could be potentially dangerous in the wrong hands, when controlled by the enlightened post-war Japanese, mecha could also be

used to uplift humankind.

A morally pleasing theme, the decision to use a technological advance developed by the Japanese military as a force for peace was a comforting. In a polarized anime world of good versus evil, mecha super weapons were about to become superheroes with the birth of Yonehiko Watanabe's Tetsujin 28 (Gigantor) in 1963.

With plots thick with Japanese wartime themes, Tetsujin 28 took Osamu Tezuka's fascination with technology and super-sized. By adopted from the work of Mitsuteru Yokoyama, the artist who created Tetsujin 28, Watanabe added elements to the designs seemingly based on samurai armor and made mecha distinctively Japanese.

The designs themselves had their roots in the technological devastation of the war. Mitsuteru Yokoyama drew his mecha partly in reaction to what he witnessed in the wake of WW II as a youth. In a 1982 interview with Yokoyama talked about what influenced his designs, "Everything as far as I could see had been transformed into scorched earth and piles of rubble... I was stunned by the destructive power of the war. [My second influence] was the V1 and V2 missiles that the German Nazis developed. I had heard that Hitler tried to use them as an ace in the hole to reverse his waning fortunes. The third influence was from the American movie *Frankenstein*." Like the secret Nazi missiles, Tetsujin 28 was conceived as a similar, eleventh-hour weapon that could bring Japan's military back from the brink of defeat.

With its wartime mission no longer applicable, these new giant technological superweapons created to insight terror, became superheroes that fought for all humankind.

Science Ninja Team Gatchaman: Mecha as the Enemy

The idea of a single invention turning the tide of a war stuck in the themes of manga and anime. With mecha, a single person or a small team could brandish much more power than their inferior numbers should allow. Through the power of mecha, success in battle becomes a matter of strategy, skill, and courage, not size or number. There was hope for tiny Japan to have a place in a world dominated by larger, more powerful superpowers.

While Gatchaman is often recognized as an important step in the development of "team" anime, it also left its mark on mecha. Aside from its unique mecha design points - each team member had their own set of color-coded equipment and fought together in the Phoenix aircraft, which was capable of transforming into the Fiery Phoenix - Gatchaman used mecha as a foil for its heroes.

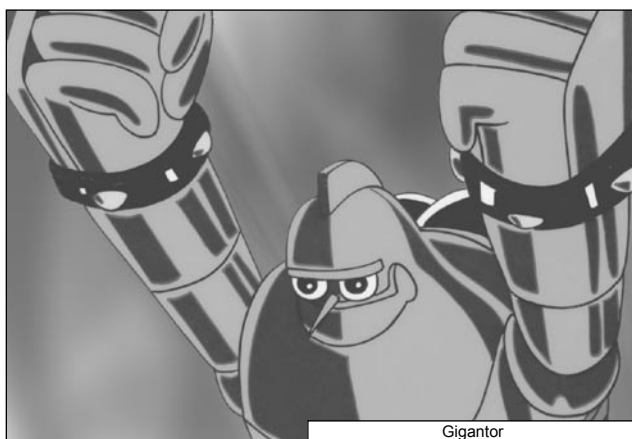

Each episode of Gatchaman featured a new onslaught from a giant mecha set to wreak havoc on Earth, the first major anime operate by this formula. Featuring more death and

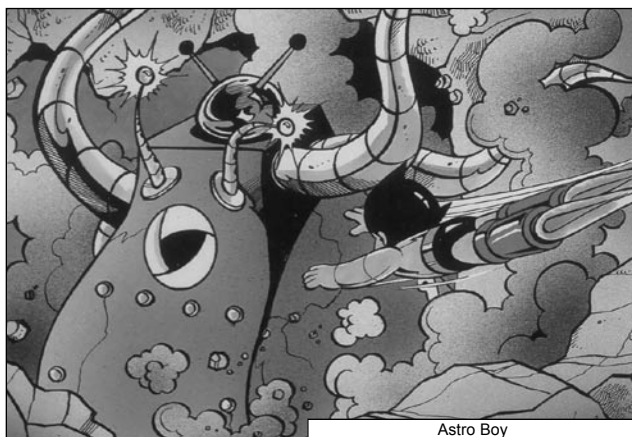

Gundam 8th MS Team

Getter Robo

Gigantor

Astro Boy

violence than many of its 1972 anime contemporaries, Gatchaman showed anime audiences that mecha doesn't just have to be the superheroic tools of virtuous scientists. Now giant robots can be the enemy.

Danger! Mecha Gets a Pilot

By the 1970s, mecha was turning away from independent mecha and returning to its contemplations of man and machine. When Go Nagai's Mazingar Z first aired in 1972, anime took a major step toward integrating humans and mecha. No longer were robots' actions observed and controlled from afar. Mazingar Z needed to be piloted from inside of the robot. Positioned strategically in the robot's head, the pilot serves as the "brain" of the mecha and uses the robot as an extension of their own body. This development allowed a new breed of conflict to arise in anime as pilots now risked injury and death when the robot was damaged.

Adding to Mazingar Z's appeal was the robot's formidable arsenal of weapons and special attacks, which were triggered by calling their names aloud with enthusiastic slogans, an innovation that would be imitated countless times. While in the years to follow this became a Japanese cliché, Mazingar Z's battle cry-activated weaponry was not only entertaining to watch, it made for a very popular toy product. (Thus began the mass merchandizing of anime related mecha toys.)

Go Forth and Transform! Meta-Robos

Continuing his mecha trailblazing, Go Nagai released Getter Robo in 1974. Unlike the singular independent robots of previous shows, Getter featured three vehicles, Getter-1, Getter-2, and Getter-3, which each specialized in travel by air, land and sea. Using a stroke of genius that allowed for more interesting battles (not to mention more intricate toy designs): combining multiple mecha together into a single Meta-Robo!

After Getter's breakthrough, the concept of transforming

Turn-A Gundam

and combining mecha was adopted in countless anime including many shows that became popular in the United States, such as Voltron (1981), Macross (1982), and Transformers (1985).

Gundam: The Mecha Revolution

Now that mecha had learned to combine and transform, it was about to undergo a major transformation of its own. Rejecting the superhero robot and with it the formulaic good versus evil plot devices of previous mecha anime Yoshiyuki Tomino a veteran of shows such as Tetsuwan Atom, Space Cruiser Yamato and Combattler V, introduced Mobile Suit Gundam in 1979 and changed the way anime thought about mecha forever.

A sharp departure from the previous approach of giant robots and small teams of heroic pilots fighting for the forces of good, Mobile Suit Gundam favored a more realistic war scenario that set human against human. The strength in mecha was no longer bestowed by solitary,

genius scientists or supernatural sources. Rather, the power of mecha was now created by ordinary humans: mechanics, soldiers, and manufacturers. The indestructible giant robots of anime past became mobile suits that were subject to pilot error, weakness of construction, and total destruction at the hands of more powerful mecha or more skillful pilots, be they good, bad or indifferent.

Mobile Suit Gundam, while not an initial success, won fans because of its engaging plots, incredible mecha, and mecha toys. Gundam eventually became an anime juggernaut and a pillar of mecha that has spanned decades and spawned countless anime based on alternate scenarios within the sphere of Gundam (see sidebar).

Searching for Humanity: The Mecha Soul

While much of the focus on mecha evolution seems to have been on giant robots battling it out for world domination, mecha anime is, and always has, been about more than just fighting robots. It's an exploration of human themes and the reflection of who we are as a society. What does it mean to be human? What is real and what is artificial? Where is the line drawn between man and machine?

While the giant-robot set often hesitates to accept android and cybernetics as 'pure' mecha, anime that explore the relationship between technology, body and spirit contribute as much to the genre as the big robots.

Jean Baudrillard, a well-known French scholar of postmodernism, wrote in "The Automation of the Robot," about two types of artificial beings: the 'android' and the 'machine'. Baudrillard described androids as "a theatrical counterfeit, a mechanical and clocklike man. The [android] is an interrogation upon nature, the mystery of the existence or nonexistence of the soul, the dilemma of appearance and being..."

So in the search to uncover our own souls, we look to our own mechanical creations. Can something that's created have a soul? Anime scholar Gilles Poitras writes, "One link [between mecha and Japanese tradition] which

I think is important is the old folk tradition that a doll that is loved will gain a soul." This tradition may have roots in the belief that even inanimate objects possess innate qualities of Buddha. It is possible, then, for even a robot to attain buddhahood. In an interview with Time magazine in 2000, two professors of mechanical engineering at Waseda University said some Japanese believe that, "even a small stone on the road has a soul inside. It's not a big leap to believe the same thing about a machine. In Japan, we don't distinguish between organic and inorganic things ... we can find personality in animals and trees and mountains. So it is not surprising to find a soul or a heart in a machine."

It was the exploration of these concepts that continue to spur mecha creators to explore the ultimate forms of androids and what defines one's 'human' soul. Ghost in the Shell, Armitage III, and Metropolis represent just a few of the large group of anime that doom unlucky androids to forever wonder how close they come to human. Do Armitage, Kusanagi and Tima owe their allegiance to other machines simply because they are told to or do they have their own soul which governs their actions? Or in reverse is Key the Metal Idol more of a machine because she believes she isn't human and doesn't have a soul?

In mecha anime we often see reflections of the main characters in water, sunglasses, glass, and mirrors. These

Gundam Wing

Armitage III

Macross II

Robotech

images further emphasize the importance of the identity/Frankenstein narrative to cyberpunk and mecha anime and the ability of anime to present that message to viewers in a skillful manner. The mirrored surfaces reflect back the image of characters who are in search of who they are, because as it is said in *Ghost in the Shell*, “For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as I am known.”

The Blurred Line: Mecha’s Mental Impact

Jean Baudrillard wrote that a machine “is man’s equivalent and annexes him to itself in the unity of its operational process.” Machines like *Tetsujin 28* or *Evangelion*, when they are joined together, mecha and pilot can unite for good, evil, and everything between.

Susan Napier further describes the importance of the bond between mecha and human in her book, *Anime from Akira to Princess Mononoke*, “The fusion of human pilot inside armored machine leads to bizarre combinations of mechanical/organic violence in which huge machines combat each other in fantastic displays of mechanical agility while at the same time hinting at the organic bodies inside... The power and exaltation of the augmented body... is the dominant trope around which mecha plots revolve.”

But over time, the focus of the union of man and machine

has shifted from the use of brute force to win battles and save the day to something else entirely.

Evangelion fully rejects the commonly used anime allegory of passage to manhood through mecha piloting. Shinji’s adjustment into the role of pilot isn’t just difficult, it’s tormenting. Shinji abhors the Eva and the suffering it brings him. In prior anime, the process of developing skills and winning victories on behalf of humankind using mecha was an exercise in building character, honor, and maturity. But despite Shinji’s physical aptitude for piloting, seen by a high level of “synchronization”, he doesn’t adapt or grow into his role as an Eva pilot. In fact, the more he connects with his mecha, the more Shinji is thrown into self-loathing and despair.

His willingness to pilot the Eva is the world’s only hope, but Shinji’s sacrifices somehow don’t seem heroic. As he becomes increasingly isolated and fragile, it’s painfully clear that mecha is no longer a refuge for the powerless or an amplifier of inner strength. Mecha consumes the young, weak and pathetic, leaving them no stronger than they were before they entered the pilot’s capsule.

Susan Napier writes, “The very ubiquitousness and popularity of the mecha genre makes *Evangelion* ... peculiarly jarring. Through Shinji’s self-questioning, the viewer is insistently reminded of the fundamental worthlessness of the power derived from the mechanical armor, thus

undermining the whole basis of the mecha genre ... In the solipsistic world of *Evangelion*, mecha are finally unimportant except as a means to know the self. Even the human body is less important than the mind that creates its own reality.”

A great deal has been written offering various interpretations of this groundbreaking anime. *Evangelion* is construed as being everything from a dysfunctional coming-of-age story to a symbol of an economically shattered Japan’s over-reliance on technology. Whatever your reaction to the series, *Evangelion* shows the heights to which mecha anime has climbed as a vehicle for narrative and symbolism.

Next Step: Mecha Moves On

Mecha is so deeply ingrained in anime it’s sometimes difficult to distinguish mecha as a sub-genre. Remaining incredibly popular since its first inception of the happy go lucky *Tetsuwan Atom*, whether small, big, transformable, or philosophical, mecha anime continues to grow and reinvent itself with time. As post-*Evangelion* mecha continues to take shape, watching it while keeping its heritage in mind may help you better understand and appreciate the genre. So check out a few of the classics and keep an eye out for the next one.

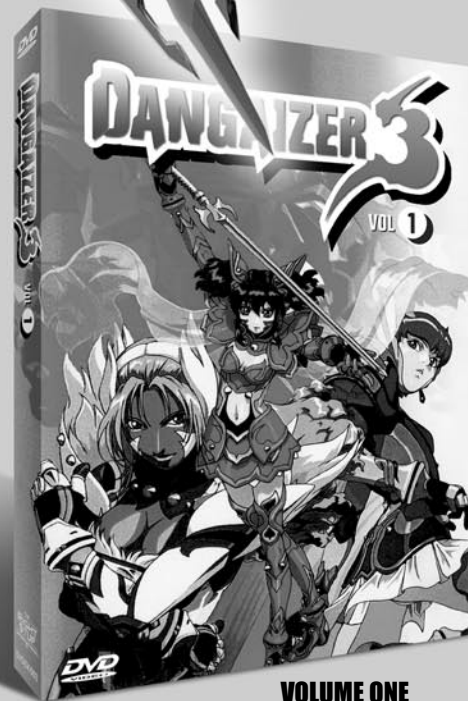

DANGAIZER 3

A NEW ACTION PACKED MECHA COMEDY!

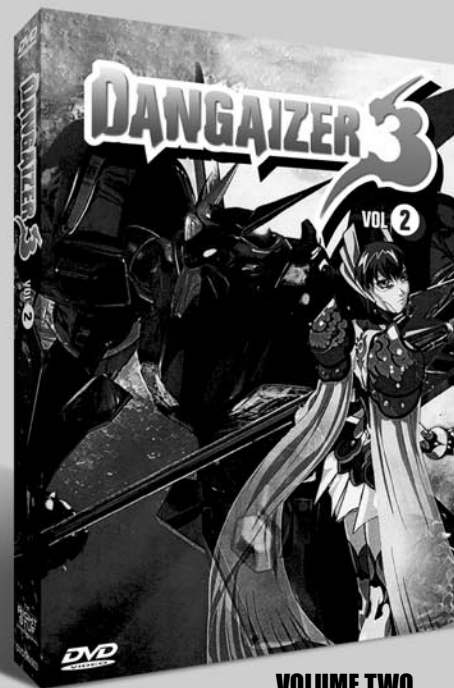

From Masami Obari, director of Dangaioh, Megazone 23 and the two best loved episodes of the original Bubblegum Crisis series - Moonlight Rambler and Red Eyes!

Ratings System

To benefit our customers, we have implemented ratings for many of our products based on our staff's experience as well as input from the various anime suppliers.

ALL
Generally acceptable for children. No Nudity. Possible mild violence.

12+ 13+
May contain violence, brief nudity, and/or mild language. May suggest sexual situations, but no situations are shown. Parental discretion advised.

15+, 16+, 17+
Strong violence and strong language. Prevalent Nudity may be contained within the picture. Mild sexual situations may be shown.

18+
Extreme violence, Explicit Nudity, and/or Extreme Language may be contained in the picture. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Ratings used within our system are oftentimes provided by the manufacturer of the product. Because of the differences in ratings used by these companies, we have combined their systems, with the descriptions of the ratings listed above. TRSI does not set ratings (except for its own products) and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only, and are subject to change.

Running Time / Video Length

Next to the Age Rating of each item, you will see the approximate Running Time listed for each video. Depending on the manufacturer, running times may or may not include extra bonus features such as previews. Common time conflicts arise when manufacturers include the time for things such as previews on the DVD but not on the VHS.

Edited and Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores) they must often be edited. This means that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognized this and often release both the Edited (TV Version) and the Uncut (Original Version) of the show.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed for the item. However, manufacturers can (and often do) change these release dates due to production delays. If you are ordering an item with a release date and are concerned whether this item is on schedule, please feel free to contact customer service at 1-800-338-6827 or email info@rightstuf.com.

Limited Edition / Limited Quantity

Both of these terms imply 'Limited' for different purposes. If an item is Limited Edition, the manufacturer has only created a specific number of these items. Although it may be listed in the catalog, these items can (and tend to) run out very quickly and we cannot guarantee that you will receive one. Limited Quantity items are those which have been discontinued by the manufacturer and we are selling at an extremely reduced price.

General Questions

Why do you charge for your catalog?

Unfortunately, paper does cost money. In order to keep producing a printed catalog, this means that we have to charge a small fee for it (but don't you think it's worth it?) However, you can get your money right back by using the \$4 off coupon in the back of this catalog! (Not to mention the tons of other great coupons stuffed back there.)

When does your next catalog come out?

We try to release a new catalog every fall. (Just in time for you to write your holiday wish list) Even with a department dedicated to putting this book together, it's a monumental undertaking. To bridge the time between catalogs, we release a spring update, and (for those of you who have Internet access) post daily updates at our website. You also might want to consider joining our Got Anime Purchasing Club (See page 14), which mails a periodic release newsletter.

Will I get your next catalog?

If you've ordered something from us in the last year, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs (and you will have to send us the current catalog fee to reactivate your catalog status).

Why are Adult products not in this catalog? I know you have them!!!

Since our catalog is delivered to anime fans of all ages, we've taken special precautions to ensure the younger fans are not exposed to products that contain explicit violence, adult situations, or sexual content (Age Rating: 18+). Products of this nature have been removed and placed into a special easy to tear out section just for Adults. Please feel free to rip this section out - it really won't hurt our feelings.

Please be aware that this does not mean that all items in the regular sections are intended for young children. To help parents, we've taken special care to make sure that products are marked with age ratings.

What's this "Got Anime" thing?

An easy way to get an additional discount on your favorite anime items. For a small yearly membership fee you get additional discounts on great products, a groovy Got Anime bumper sticker, newsletters and members only specials! Read more about the Got Anime Purchasing Club on page 14.

I keep hearing about affiliate programs...

What are they and do you have one?

Quite simply, an affiliate program is a way for you to make money when people come to a commercial site from your web page. Let's say you put one of our banners on your web page and link it to us. If someone buys something from us, then you get a fixed percentage of their total order. Of course to get the money, you first have to sign up to be one of our affiliates. For more information, check out our affiliate information page at:

<http://www.rightstuf.com/affiliate/affiliate.shtml>

Why don't you carry that many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. We are continuously scouring the market to find a stable way to bring imports to our customers and hope to do so in the future. Please check our website (www.rightstuf.com) for the latest news on imports.

Why don't you have <Title Here> Audio Soundtrack CD from Japan?

Um...I know I'm getting bad at geography, but I'm pretty sure that's an import - see above question regarding imports. You also might want to check our Soundtracks section because a number of titles are now being released domestically.

I got an Art book with a CD-Rom. How can I play it?

Some (more like one or two) of the Art books that we carry have been known to come with CD-Roms. Since these are imports, you need to have the Japanese version of Windows to run the programs.

I really want to learn Japanese...

What resources do you have?

There are a couple of books in the catalog, which might be of interest - particularly "Basic Japanese Through Comics" and "The Anime Companion." The Internet is also an excellent resource and you might check with local school districts and community colleges to see if they have any courses available.

Why do you have so much cool stuff? I'm going to be broke for months!

We hate to say this, but there's even more neat stuff in this catalog, so you might as well just sign over your first-born to the company.

Customer Service Questions

What are your hours?

If our company President had his way, we would be chained to our desks 24 hours a day. Luckily, (for us at least) this is not so. We answer the phones from 8am to 5pm Central Standard Time (CST) Monday through Friday. You can FAX your order 24 hours a day, 7 days a week at (515) 252-0555, or you can also place an order online on our website (www.rightstuf.com) using your web browser. Please don't email your order, it's very unsecured and someone could steal your credit card number.

Can I get a new order form / Do I need an order form / I ran out of order forms!?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you are fine (hieroglyphics just wasn't our specialty in any life).

How can I check on my order?

If you placed your order through our online store (www.rightstuf.com) you can check your order status when you login. Otherwise, simply call our friendly Customer Service people at 1-800-338-6827 or email us at info@rightstuf.com.

How long is a typical item "out of stock" for?

With a few exceptions, VHS/DVD delays can be measured in days. There are some freak delays, but 2-4 weeks is a usually safe figure. However, please keep in mind that some items are directly imported from Japan, and may be in short supply even there., and should the vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

I ordered something in your catalog and its been discontinued, why did you list it as being available?

Since our catalog is only printed once a year, some products do sell out between printings. It might be that the product is a Limited Edition or an Import that is only available for a short time. Other times, an item, such as a graphic novel, can go out of print and will no longer be produced. Unfortunately, we don't always know this until after the catalog has been printed. If you do select a discontinued item, we'll do our very best to work with you to select a different one or simply return your payment.

Can I use the coupons with online order?

Yes, you can. Simply use the Coupon Code that is on your coupon when you place your online order. You can only use one coupon per order for online orders and only one catalog coupon per customer.

How many coupons can I use with my order?

Any coupon that would apply to the order of course! We do want to stress that you can only use one coupon type per order (Yes, which means no paying using all of your friends' \$4 rebate coupons.)

Do I need to add sales tax?

Only if you happen to live in Iowa.

If I move, should I inform you?

Certainly a good idea (Right Stuf would be the FIRST notice I'd send if I were you), especially if you want to keep getting stuff from us. Just drop us a quick

note, giving us your old address, and your new address, so that we can update our records.

Mail-In Orders

I went to your online store and I wanted to order, but I don't have a credit card? What do I do?

Should you prefer to flip through the online store to select items, you can actually use it to place an order in by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!) Just print this form off and mail it in with your payment. Although you can use the online store to generate your order, nothing will be recorded by our system so make sure that you don't lose your form or you'll have to re-enter everything all over again!

Why do you hold my order when I pay with a check?

Even with all this cool technology, checks require at least 18 days to clear. In a perfect world, this would not be so. Amazing, isn't it?

What's this NSF charge?

"Non-Sufficient Funds" means, in English, your check bounced. This is bad. We will charge you for this. There is a \$25 charge for all returned checks.

Payment Methods

Do you take Discover / VISA / MasterCard / American Express / PayPal?

Yes to all. We also accept JCB cards and debit cards that have the MasterCard / VISA logo. About the only plastic that we don't take are standard ATM and gasoline cards. We also accept payments on our website from PayPal, too. However, you must order by either phone or through the online store (www.rightstuf.com), have a domestic (US) verified account (sorry we can't accept international pay-

ments at this time) and ship to the address on your account.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships. Unless there's some freaky deposit problem, that's the only time.

I'm an international customer. What's with this extra data you need?

With international mail and credit card fraud becoming a growing problem, we felt it was better to ask you for additional information rather than charge everyone outside the country a lot more for their stuff. So, first-time international customers (it's only for the first time buyers) are now required to furnish a copy of your driver's license (or something with your address on it) along with a photocopy of BOTH sides of your credit card. This policy only affects first-time international buyers. This allows us to better protect you by making sure you are getting the product.

Shipping

How long does it take to ship an order?

From the time we receive the order and place it in our system, standard processing time to ship it is 24-48 hours. If some of the items are on back order, it can take an average of 10-14 business days for us to receive the back ordered items. Then standard Processing time goes into affect.

What are your methods of shipping?

Please see our order form for details and prices.

Are there any other shipping options available?

Additional shipping options are available for orders placed by phone or through our online store (www.rightstuf.com).

How much is shipping for Pre-packs?

Shipping is simple: use the amount for a SINGLE item.

I'm not at home in the day. Can you ship to my office?

Certainly (in fact, we prefer to do this to ensure that you actually get your stuff), but please give us all the information that you can, including the name of the company, so that your friendly delivery person can get your package to you. We require that you include the business's name in the address. We are happy to work with you to get the product to you as quickly as possible, but for American Express cardholders, this is not allowed due to American Express' own restriction policies. You might also choose to have the product shipped to you by mail.

I chose express delivery and my product still took 2 weeks to arrive. What's up with that?

You must have ordered a product that we didn't have stock on at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery the moment we receive it from the manufacturer. Although we do keep significant stock on the items in our catalog, there are times when there may be delays getting items from the manufacturer, as discussed above.

What happens if my country will not allow me to have this sort of tape / My order was seized by the border ... what now?

Sorry. Please consult with the postal authorities of your country prior to placing an order for adult product. We will not be responsible for seized shipments, and cannot provide refunds for seized products.

Returning Merchandise

When I got my <insert title here>, it was bad. What do I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs and VHS can be returned for a refund in Right Stuf store credit (or in the case of credit cards, refunded to the issuing card.) All returns/refunds must be processed within thirty (30) days of the date on your purchase invoice.

If you need to complete a return/refund, please obtain a return authorization number from Customer Service at 800-338-6827 or visit our online request form at:

<http://www.rightstuf.com/customer/requestform.shtml>

Do I have to pay to ship back a product to TRSI?

Unfortunately, Yes. We suggest using the least expensive shipping method available. We will only reimburse shipping for wrong items sent. We will pay the shipping to send the replacement back to you.

Product Information

I saw some titles for only \$6, are these prices right?

Yes, they are. Occasionally, we are able to get an incredible buy on some products. When we do, we pass those savings along to you. This is called our Bargain Bin. Many times, super-specials such as these are available in limited quantities only, but they do have the same guarantees as any other tapes. Also, we do post weekly specials and bargains on our website. Check them out!

What are some good tapes for young children?

Although this is truly a matter of personal preference, we recommend Totoro, Kiki's, Pokemon, Kimba, Flint: Time Detective, and Astro Boy! for young anime fans. You might also consider the Sanrio titles like Hello Kitty, and Pochacco. Look for the "ALL" age rating in item listings for child-friendly titles.

What's the most horrible, tasteless video you offer?

That really depends largely on the person you ask. If you ask the catalog designers, they would say Cool Devices, Angel of Darkness, Urotsukidoji, and a recently released Magic Woman M. Don't let the title fool you. Magic Woman M actually induced dry heaves. It's just that intense. These titles are certainly not for the squeamish, and are most definitely only for adults. Look for them in the Adult catalog.

What is an OVA (OAV)?

This means Original Video Animation. In normal

terms, this means a direct to video release.

What is the difference between the 'Edited' TV episodes and the regular ones that are listed?

One was shown on TV! Duh!! Seriously, this varies depending on the show. Many times the TV episodes are censored. (The TV execs hate doing it as much as you hate them doing it) Censoring is done to coincide with the regulations that TV broadcasters must abide by. This can involve the removal of Nudity, Excessive Violence, Blood (sometimes just a change from red to green makes a difference), and the naughty words. The non-TV versions often times have the episodes in their original form and you get to see the show as the producers intended. You can note this by "TV version" or "Toonami" in the title block or "Edited" in the item listing.

Is <insert title> CC or Closed-Captioned?

While the standard answer would be yes for most titles, not all shows are given the CC treatment. If we know that a title is CC, we have tried to mark it as such. If you're still unsure of a particular title, please feel free to give us a call or drop an email in our box.

What's the difference between subtitled (SUB) and dubbed (DUB)?

Subtitled videos display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music (probably) is intact, but the voices have been redone in English. In our online system, you will note that subtitled is represented by (S) and dubbed is represented by (D). You might also see (Hyb) which means that both the subtitled and dubbed versions are available on the same DVD.

Why are subtitled videos more expensive?

Conventional video "industry wisdom" is that broad market penetration requires a low price (and that's where dubbed tapes are aimed). Subtitled videos are "the domain of purists", and are only a small part of the overall market, but the market is changing over to DVDs so this may soon be a mute point.

How come <place title here> isn't available DUB?

Although this is getting rarer and rarer, there are still a few titles out there, which are still available only in subtitled form. The choice of whether to make dubbed versions of already existing programming can be complicated, and manufacturers need to feel that the investment in time and resources necessary to dub the program can be turned into a reasonable profit. You will find that many of the anime publishers are dubbing their back catalog of programming at this point, as the anime DVD marketplace grows.

I saw this show that I think might have been Japanese Animation. Do you have it?

We get questions like this all the time in the company email box. If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's like a magic user, a guy with a sword who has big hair, and a villain who wants to take over the universe, and I think there are some cat girls in it" there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't mean that it's available in the US as a licensed product but it's likely that it is.

Why isn't <insert title here> available in the US?

You might be surprised to find out how much of the Japanese product is available in the US. Of the few titles that remain unlicensed, some have their rights disputed, some licensors want more money than a title can possibly generate in this market, and some are currently in negotiation. With the exception of some television series (which are a different matter entirely, due to their length), this just about covers it. We do not sell fan subs of non-licensed products, or pirated copies of licensed tapes.

Can we special order series not on the website?

Simply put. If it isn't on our website, we can't get it.

What is the difference between PAL and NTSC?

These are both connected with regional displays. The US, Canada, Mexico, and Japan utilize the NTSC

television standard. Western Europe, Australia, Great Britain, and much of the rest of the world use a different standard called PAL. In Russia and former satellite countries, they use another broadcast standard called SECAM. These three standards are incompatible with each other (unless of course you have a multi-standard video equipment which allows you to play all of these - expensive). All of our programming is in NTSC; We do not sell PAL or SECAM videos.

DVD Questions

Why is THIS DVD so much better than THAT DVD?

Like many things, it's the talent of the people who did the mastering. Although the format supports a very high quality image, the preparation of the material determines how good the final will actually look. This can also be seen in many non-anime DVD's that came out the door first.

Can my DVD play in a Playstation 2?

To be honest, it depends on the DVD. There have been instances of some DVDs having difficulty playing. However, the vast majority will work just fine.

Why is this only on DVD? Don't you like VHS????

With mediums and technology always upgrading, VHS is on its way out. Some companies have decided to cancel VHS production to make way for better focus on DVD production. But this is not entirely a bad thing. Check out our Bargain Bin, and see our low (insanely low) prices on VHS.

What is Region Coding?

Region coding is a geographical restriction for DVDs and players that allow for licensing of specific materials within different areas, or Regions, of the world. Since DVD players are region specific, you need to make sure that the DVD you purchase is coded for the same region of your player. What region is your DVD player? If you purchased your player from a retail outlet in the US, it should be Region 1.

You can check the Region coding on your DVD by looking for the Region Code symbol on either the silkscreen or the packaging.

Region Coding List:

- 1 - United States of America, Canada
- 2 - Europe, including France, Greece, Turkey, Egypt, Arabia, Japan and South Africa
- 3 - Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 - Australia and New Zealand, Mexico, the Caribbean, and South America
- 5 - India, Africa, Russia and former USSR countries
- 6 - Peoples Republic of China

What Region are your DVDs?

We primarily carry Region 1 Discs. However, we do have only a small handful of DVD titles that are multi-region and even Region-free. We've tried to mark them where possible.

Series Related Questions

How often is DBZ released?

About every month. Check out our website (www.rightstuf.com) for the latest release details.

Why are the DBZ VHS/DVDs numbered out of order?

When we are notified of new DBZ volume, we attach a volume number to it so people would know what tapes were new. However, this is our system and not FUNimation's. It worked out just great at first, but then FUNimation started simultaneous saga releases. (ie: Frieza saga, Garlic Jr. Saga) This, of course, caused a huge conflict in our numbering system. To help resolve the resulting confusion, we've placed the titles in saga specific order and added episode numbers to all of the titles to help make sure that you are getting right tape. If you're missing some episodes, chances are that it hasn't yet been released.

Why can't I get an Uncut version of the first 17 volumes of DBZ?

When DBZ Episodes 1-53 were sub-licensed by Pioneer, they only licensed the edited TV releases. FUNimation, who owns the rights to the series in the States, has no current plans to redo the original 53 episodes in uncut form. (but fans have been known to get companies to do great things if they bug them enough...)

When will Dragon Ball GT come out?

FUNimation currently expects to begin releasing Dragon Ball GT sometime after they've finished the colossal series of DBZ. Look to see the series sometime in the near future.

Is there a 3rd OVA series coming for Tenchi Muyo?

Both the new OVA series (Tenchi Muyo! Ryo-Ohki) and the new Tenchi TV series (Tenchi Muyo! GXP) are currently in production in Japan. For the latest Tenchi Muyo information, visit the English website for Anime International Company (AIC), the Japanese producers of Tenchi, at:
<http://www.tenchi-web.com/e/index.html>

Or directly from AIC's English GXP site at:
<http://www.tenchi-web.com/>

What's the difference between Urotsukidoji Perfect Collection, Vol 1, Vol 2, Vol 3, and Vol 4?

You had to ask a complex one, didn't you? Here's the deal. The original five-installment set (now known as the Perfect Collection, and available subtitled only) was cut together to form Volume 1 (DUB) and Volume 2 (DUB). Urotsukidoji 3: Return of the Overfiend and Urotsukidoji IV are totally new series and are available dubbed only on VHS, but are still available on the DVD Set. Now if you want to simplify your life, just get the "Hell On Earth" DVD Collection which contains all of series (that's Vol 1, 2, 3, 4) in one box set. I know - it's like trying to figure out the sequences of the VIZ Ranma series sometimes.

pre-packs

Anime Keychain Assortment

KEY Catalog #: PACK1202 List: \$18.00 Sale: \$12.99
Four of the coolest Keychains out there. One each from Tenchi, DBZ, Sailor Moon, and Cardcaptors. Start your collection today.

DO YOU ORDER MORE THAN 4 ITEMS A YEAR?

Here's a way to save some cash: Join the Got Anime Club for Frequent Buyers!

For a Small Annual Membership Fee, You Get:

- An additional 10% off our already low prices!*
- Catalog updates with the latest release schedules
- A groovy Yuki-chan bumpersticker
(be the envy of the neighborhood with this one even if you don't drive a car!)
- Access to members-only special promotions and special merchandise not available anywhere else!
- A membership card (duh!)

*Discount applies only to our everyday low price. Pre-packs, Closeouts, Website Specials or Bargain Bin (\$5-6) products which are already heavily discounted cannot be further discounted using your membership. If in doubt you can check the Got Anime Store at www.gotanime.com or call our friendly customer service at 1-800-338-6827.

Calculating Your Discount:

1. Add up the total cost of all of your items (excluding Pre-packs, Closeouts, Website Specials or Bargain Bin items).
2. Multiply this sum by 0.10
(I promise we won't tell the teacher if you really want to use that calculator for this test).
3. Enter this amount on your order form in the Got Anime Discount box.

That's it! You're done! It's just that simple!

Remember, discounts apply only to our everyday low price and they do not apply to Prepacks, Closeouts, Website Specials or Bargain Bin Items.

So How Does This All Work?

Simple: to order an annual membership, select the correct Got Anime region for you (See Right) and write it on your order form just like any other product in the catalog.

Once we receive your order, we'll send you a membership card with your own membership number! Make sure to use that your number whenever you order and mark your Got Anime discount in the box on your order form!

Want to use your membership right now? If you're ordering other products at the same time you're purchasing your membership, simply enter "newmember" for your member number. Your permanent number will be sent to you along with your order.

For once, here's a fan club that's worth something. Join today!

Adventures of the Mini Goddesses

Super Small = Super Cute! Whenever Keichi leaves the house, Belldandy, Urd and Skuld shrink themselves to play with the other residents of the area - including their clueless rat sidekick, Gan. Whether it's a battle against Gan-zilla or adventures in kitchen appliance romances, the goddess adventures are dangerously funny! Although frequently the butt of the goddesses jokes and the victim of their mistakes, Gan the rat persists in his absolute devotion to Belldandy.

Arjuna, Earth Maiden

High school, archery club, and boys were the things that filled Juna's daily life. But when an accident leaves her clinging tenuously between life and death, fate intervenes as she becomes the sole witness to scenes of Earth's destruction along with humanity's reckless pollution of the sky, the Earth, and water. It is here in which Juna is given a new chance at life and bestowed the powers of the Earth, a power she must wield in order to stop an evil bent on Earth's destruction.

Armitage III

2179: Mars has been colonized, populated by humans and 'Second Types' robots - robots designed to perform the menial tasks humans won't do. Then there are the 'Third Types' - illegal humanoid robots designed to look and behave exactly like humans - living undetected among the Martian population as citizens. Unfortunately not everyone is so happy about these new creations....

MOVIE 1: POLY-MATRIX

Rene' Danclaude has declared war on the 'Thirds' and starts a massacre vowing to destroy them all. Now Naomi Armitage, a cyber-punk Martian cop with an attitude as deadly as her gun (not to mention a 'Third') must come to grips with her new robot hating partner while fight for her very survival against D'anclaude.

OVA

Uncertain as to why he keeps hearing voices, Koichi soon finds himself drawn to a mysterious rendezvous with Juju, a beautiful disciple of a powerful cult leader Magnus. When Koichi refuses to join Juju's cult, it starts a chain reaction which reveals Koichi to be the reincarnation of Babel II, the Chosen One called upon to defend mankind from the forces of evil. Now he must protect the Earth from Magnus and his army of zombies!

BAOH

A secret organization called 'Doress' has funded the development of a genetically engineered parasite code-named 'Baoh. Unfortunately, their first human guinea-pig, a young man named Hashizawa Ikuroo, has managed to escape along with a young girl, Sumire, who has a strange precognitive gift. Unless Doress operatives can find and destroy Ikuroo before the Baoh parasite fully manifests their evil dream will come to naught.

Boogiepop Phantom

Everyone knows about Boogiepop: meet her one dark night and you'll disappear...People tell each other the stories and laugh, but no one truly believes that she exists in this day and age...The glass shatters. Time stands still. Five years ago, a string of grisly murders shook the city to its core ... and now, in the present, psychic echoes reverberate...

Burn Up!

To the unsuspecting eye Maki, Reimi, and Yuka may not look like an ace crime fighting team, which might explain why these lovely young ladies have been assigned to the traffic squad instead of something more 'exciting.' Of course, the fact that they're not an ace crime fighting team might have something to do with it as well. That doesn't mean they don't have the ambition, however...

Burn Up W

When a group of terrorists take over a luxury hotel and it's up to Special Weapons And Tactics Team Warrior to get the hostages out alive. Of course, the first step in handling terrorists is to lull them into believing that they're the ones in control of the situation, and if that means granting a FEW unreasonable demands, well that's a small price to pay, right? At least that's what Rio keeps telling herself as she prepares to make the world's highest nude bungee jump.

Buttobi CPU [I Dream of Mimi]

Akira's a normal guy, but his life takes a rather dramatic turn one day when he ventures outside to buy a new computer, and ends up with something quite a bit more than he bargained for! When he opens the box he discovers that his computer is a little more advanced (in more ways than one) than he ever dreamed. She's a biomechanical machine named Pixie! The only thing for sure is that Akira's life just got a whole lot more complicated!

Cowboy Bebop

The year 2071 A.D. That future is now. Driven out of their terrestrial eden, humanity chose the stars as the final frontier. With the section-by-section collapse of the former nations a mixed jumble of races and peoples came. They spread to the stars, taking with them the now confused concepts of freedom, violence, illegality and love, where new rules and a new generation of outlaws came into being. People referred to them as Cowboy Bebops...

Cyber City Oedo 808

2808: three criminals are offered a choice: spend the rest of their lives in maximum-security or return to Earth as agents of the Police. Parole violations will be rare as each criminal is fitted with a booby-trapped, high explosive collar that operates on a 24-hour timer. When terrorists take control of the city's tallest space-scraper, they're put to the test. In principle, the job is simple: Break into the most secure building in the city; find and eliminate the terrorists; rescue the hostages. But there's no time to waste, because the clock is ticking!

ORIGINAL OVA

This is the ORIGINAL Kei and Yuri, the gun wielding, Bloody Card throwing Dirty Pair that millions have come to know and love. Who else

could destroy half the city in pursuit of a walking arsenal disguised as an android and still call it a victory? Older, sexier and able to cause every bit as much collateral damage as their younger cousins, the original Pair are back at last!

Dragon Half

What happens when a dashing Knight meets a female dragon and they both fall in love? Well, besides a terribly awkward wedding, the result is Mink, a precocious young female who's got more than her fair share of teenage anxieties! After all, when you're part reptile and you fall for a handsome young pop star who also happens to be a dragon slayer, you just know somebody's fixing to get burned! NOTE: TIME DIFFERENCE IS DUE TO EPISODE "TEASERS" BEING CUT.

Escaflowne, Vision of

TV SERIES

Hitomi Kanzaki is a typical high school girl, but when a vision of a young man battling a dragon becomes a reality, her life changes forever. Drawn into a strange vortex with the swordsman, Van, Hitomi is thrust into the strange world of Gaea. Van must learn to master the suit of armor, Escaflowne, before he and Hitomi are crushed by the ambitions of the Empire of Zaibach!

Evangelion, Neon Genesis

In the year 2015, half of the human race is dead, and the survivors face a terrifying last judgment from giant biotechnology experiments called Angels. A handful of teenagers are trained to pilot the colossal super-entities known as Evangelions and battle the Angels on their own terms... whatever the cost to their minds and souls.

Garaga

It should have been a routine voyage, but as the starship XeBeC entered the warp-ring, an explosion in the engine room sent the starship hurtling out of control. Once the smoke cleared, the crew found themselves in a remote corner of the galaxy; their only hope was to make an emergency landing on the planet below - Garaga. What was

Fooly Cooly

the XeBeC's true mission? Slowly the mystery unfolds - a powerful general, hidden agendas, a ruthless plot, and a mysterious psychic race!

Gokudo

Where is it written that heroes have to be heroic? Gokudo is the perfect adventurer, reckless, greedy and ambitious. Unfortunately, that makes him one imperfect crown prince and an even worse hero. With his flaming sword, a tomboy looking for excitement and the prince of his rival kingdom, he sets off on a quest to uncover all the great treasures of the world. He'll succeed, or he'll make a total fool of himself trying!

Locke the Superman

While this suffers from some less than attractive character design, this is actually a good film. Locke is a psionic soldier the likes of which the world has never before seen. His power is so great that he's chosen what he will look like, and that is much younger than he actually is. Having given up on Earth, he's called back into battle!

Nadia

THE MOTION PICTURE (FOLLOWS TV SERIES)

A mysterious girl named Fuzzy reunites Nadia and Jean after years of separation. Together with the Grandis Gang, they must fight off the minions of a new nemesis, Giegar, who plans on using a mind control device to set the world ablaze with war, and in the ensuing chaos conquer the world with his own personal army. It's up to Jean and Nadia to

I'm Gonna Be an Angel

stop him and save the day again.

Otaku No Video

This is Gainax having a good deal of fun at their own expense. It details a "fictional" company and its meteoric rise intercut with pseudo interviews. It's way more fun than it has any right to be, and at other times, almost touching. A great film for anyone who's stayed up all night watching films they can't understand.

Outlaw Star

Gene Starwind and his partner Jim Hawking run a small business on the backwater planet of Centinel 3. But all that changes the day that Hilda hires them for a bodyguard job. Now, thrust into a mystery they don't fully understand, they're on the run from the cops, the pirates, an angry alien, and a mysterious assassin. But they've got one thing going in their favor - they have the galaxy's most advanced ship!

Peacock King: Spirit Warrior

Unholy powers are at work in the shadows of our world - plotting their revenge as they grow stronger. However, three warriors of Light stand ready to oppose the minions of Hell wherever they appear: Onimaru - half-demon warrior and master of the Forbidden Curses. Jiku - Buddhist priest and master exorcist, and Kujaku - his undisciplined apprentice. Possessed of unearthly powers, Kujaku's enigmatic destiny has been influenced by forces far beyond his understanding....

Long ago, the evil Talpa waged war upon the Earth. Defeated by a lone warrior, Talpa was banished, but never forgotten. Reigniting his thirst for power, Talpa has once again invaded the mortal realm. But the forces

Iczelion

of darkness are not unopposed - Protected by a mystical elemental armor, five young men known as the Ronin Warriors are the last line of defense against Talpa and his supernatural army. Presented in unique DVD-10: features both the English "Ronin Warriors" series and the Japanese "Yoroiden Samurai Troopers" episodes uncut and presented in their original format.

Rurouni Kenshin

SAGA 1: WANDERING SAMURAI

In Tokyo, where swords have been banned, Kaoru bumps into the wandering Kenshin while looking for the man that is tarnishing the name of her fencing school. Now the adventure starts as we are thrust into an era long gone, not only of blades and duels, but where honor and reputation were still a person's most prized possessions.

Saber Marionette

TV SEASON 1: J

Welcome to Japoness, an all-male society, where the only females are high-performance emotionless androids known as "marionettes". Martial arts student and all-around nice guy, Otaru, accidentally discovers and wakes a marionette named Lime. He soon learns that Lime is very different from other marionettes; she has emotions!

TV SEASON 2: J-X

It's not over yet! Everyone's enjoying the peace and quiet - except for Lime. The winds of change are in the air, and the old ways are being swept aside. With Lorelei back, Terrall is going to halt production on marionettes. Even the Sanja Festival, the high point of Japoness culture, is undergoing radical change. Will everyone forget about Lime and the others?

Silent Service

The Seabat: the most advanced nuclear submarine ever designed. During the shakedown cruise, the crew declare their sovereignty as

an independent nation - provoking a major international incident, and straining US-Japanese relations to the breaking point. Now, the clock is ticking as both the US and Japan scramble to capture the renegade submarine - or destroy it - as both nations prepare for war.

Space Pirate Mito

Mito isn't just another space pirate, she's a three foot tall childlike alien with enough guts to outshine a supernova. She's known as the galaxy's most dangerous pirate, a wanted criminal who destroys a dozen police space cruisers every day before breakfast. But all she really wants is to be called "Mom."

Spring and Chaos

Directed by acclaimed anime creator Shouji Kawamori (Macross, Escaflowne), this is the animated biography of Kenji Miyazawa, a poet

and a writer who lived between 1896-1933 in Iwate, Japan. With use of cats as characters, expressive editing, and computer graphics, the animation captures fantastic and surrealistic world of Kenji Maiyazawa, whose works are often known to be allegorical and abstract.

Trigun

The legendary Vash the Stampede is a gunfighter so ruthless that he has a \$60 Billion bounty on his head and entire towns evacuate at the rumor of his arrival. Fortunately, the real Vash the Stampede is more heroic - even if he does act like a complete idiot. Couple it with two insurance representatives trying to locate and stop him, and you've got a terrific gun slinging comedy!

Twilight of the Dark Master

Humans rule the Earth, with no real memory of the monstrous Demons or angelic Guardians. Yet, deep within the dark underworld of the city, the supreme Demon is still alive and plotting, once again, to overtake mankind. Only one Guardian is left to do battle, and the fate of the human race hangs in the balance...

Tylor, Irresponsible Captain

TV SERIES

Within the military, the ways of war have been refined and practiced to a point where very little can be considered new. And then, there's Tylor. An enigma, Tylor has a gift that is undiscovered ... until now. He goes through life with an air of complacency that would give granite a run for its money. He may be, however, the one person who can save Earth...

Urusei Yatsura

MOVIES

Movie 1: Only You

Certainly the closest of the Urusei movies to the flavor of the original series, this film recounts a childhood promise between the then princess Elle and Ataru Moroboshi. Now, some 14 years later, the now Queen Elle is going to take Ataru up on his promise, much to Lum's chagrin!

Rating: 13+ Running Time: 101 Minutes

SUB	Catalog #: AT092201	List: \$24.95	Sale: \$22.46
------------	---------------------	---------------	---------------

Movie 2: Beautiful Dreamer

if you're a high school student, and your classmates include Lum, Ataru, and Mendou you quickly learn not to take anything, even reality, for granted! So when the gang at Tomobiki High find themselves endlessly repeating "the day before the School Festival", they may be confused, but they aren't surprised!

Rating: 13+ Running Time: 90 Minutes

DUB	Catalog #: USM1472	List: \$19.95	Sale: \$17.96
DVD	Catalog #: USMD1728	List: \$29.95	Sale: \$26.96
SUB	Catalog #: USM1039	List: \$14.95	Sale: \$13.46

Movie 3: Remember

a new Amusement Park has been built in Tomobiki, and opening day finds the whole gang sampling its pleasures. At a magic show, however, Ataru gets turned into a pink hippopotamus-FOR REAL! When Lum attempts to track down the magician that transformed her darling, things start to get very weird, very fast!

Rating: 13+ Running Time: 93 Minutes

SUB	Catalog #: AT092203	List: \$24.95	Sale: \$22.46
------------	---------------------	---------------	---------------

Movie 4: Lum/Forever

Strange things begin happening in Tomobiki Town...When a great cherry tree, "Tarozakura," is cut down while Lum & Co. are making a movie, Lum loses her horns-and her powers!

Rating: 13+ Running Time: 94 Minutes

SUB	Catalog #: AT092210	List: \$24.95	Sale: \$22.46
------------	---------------------	---------------	---------------

Movie 5: Final

Lupa, yet another one of Lum's fiancés, arrives on the scene, and Lum and Ataru have to repeat their game of tag in order to prevent the Earth from being destroyed. All Ataru has to do to win is say "I love you," the three words he has steadfastly refused to say to Lum. Will he admit his true feelings and save the Earth? Or will his pride doom it to destruction?

Rating: 13+ Running Time: 85 Minutes

SUB	Catalog #: AT092211	List: \$24.95	Sale: \$22.46
------------	---------------------	---------------	---------------

Movie 6: Always/Darling

Lupica has abducted Ataru! But she isn't after him for his great looks or charming personality (because he doesn't have either). Lupica's goal is the greatest love potion in the galaxy, which she intends to use to induce her sweetheart to tie the knot!

Rating: 13+ Running Time: 77 Minutes

OVA 1

OVA 1: Inaba the Dream Maker

What would you do if you found a boy in a bunny suit? That's what happens to Shinobu on her way back from the market. Shinobu finds a strange key that has dropped out of the bunny boy's pocket. What do you do if you have a key but no door? Build one, of course!

Rating: 13+ Running Time: 57 Minutes

SUB	Catalog #: AT092204	List: \$24.95	Sale: \$22.46
------------	---------------------	---------------	---------------

OVA 2

Lum, Benten and Ran decide to beat the Tokyo heat by taking a summer vacation with Oyuki. They learn about the fabulous Sherbet birds,

I'm Gonna Be an Angel

which produce treats upon demand. Ran wheedles a bird out of Oyuki, but when she gets it back to Earth...

Rating: 13+ Running Time: 53 Minutes
SUB Catalog #: AT092205 List: \$24.95 Sale: \$22.46

OVA 3

mischievous spirit gives Ran a heart-shaped candy that causes a magical hear to appear over the head of whoever eats it. And whoever catches that heart captures the heart of the person who ate the candy! And if there's one thing the Urusei Yatsura crowd can do, it's play catch!

Rating: 13+ Running Time: 50 Minutes
SUB Catalog #: AT092206 List: \$24.95 Sale: \$22.46

OVA 4

In Tomobiki Town, the unfortunate suburb where Lum and the rest of the Urusei Yatsura gang live, serious silliness is around every corner. Sit back and enjoy another double-dose of infectious insanity, Japanese style!

Rating: 13+ Running Time: 50 Minutes
SUB Catalog #: AT092207 List: \$24.95 Sale: \$22.46

OVA 5

Ever since Lum & Co. came to live in Tomobiki, it's become the insanity center of the universe. Join us now for two more outrageous ventures into the land of laughs with our highly charged Alien princess and the rest of the Urusei Yatsura gang!

Rating: 13+ Running Time: 50 Minutes

Utena, Revolutionary Girl

ORIGINAL SAGA

Beauty. Confidence. She is the idol of her classmates at the exclusive Ohtori Academy. And yet, she is driven by a faded childhood memory of a prince on a white horse who comforted her when she was grieving, and who gave her a strange signet ring with a rose crest.

Virtua Fighter

TV SERIES

The series starts off in New Los Angeles' Chinatown. While a young man stuffs his face in a small Chinese restaurant, a young woman bursts in, chased by several tough-looking guys in black. The girl fights her way through some of the guys and gets away, but soon after is captured. The restaurant owner asks the hungry man (who totally ignored the fight while it was going on) to rescue the girl from a local gang of criminals called the KoenKan.

Get Free Shipping on Your Order!!

If you live inside the US and your order exceeds \$99 without freight, then Economy Shipping is FREE for domestic customers.

Shipments to Military Addresses and US Protectorates

Our domestic standard rates are simple: in the US including APO (AA, AE, AP), FPO, PR, GU and VI please use the Domestic Shipping Options. Please be aware that if you have a PO Box, or are stationed in the service, our standard shipping is limited to Priority Mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

Special Notes for our International Customers

Shipping companies may charge a fee for delivering your package to a foreign country. Such fees and customs duties are not included in our shipping price, and are your responsibility. We will not be responsible for seized shipments, and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering an adult product(s). For first time orders only, we require a copy of your a form of ID (can be drivers license, passport, etc) which shows your address along with a photocopy of BOTH sides of your credit card. This information is to help us keep down credit card fraud and is for your protection as well.

I'M RUNNING OUT OF FORMS!!

You are hereby authorized and deputized to use copies of this order form. As long as we can read it and all the information is there, you're fine. Xerox away.

**THANK YOU
FOR YOUR
COOPERATION
AND YOUR
BUSINESS!!**

SHIPPING INFORMATION:

PLEASE ALLOW 2-6 WEEKS FOR DELIVERY. IT WILL ALMOST CERTAINLY BE CLOSER TO 2 THAN TO 6 WEEKS, BUT WE LIKE TO ERR ON THE SIDE OF CAUTION. SHIPPING CONFIRMATIONS ARE OFTEN SENT VIA E-MAIL, SO MAKE SURE TO INCLUDE YOUR E-MAIL ADDRESS!

PLEASE MAKE SURE THAT THERE IS SOMEONE AT THE ADDRESS WE ARE SHIPPING YOUR PRODUCT TO WHO CAN SIGN FOR YOUR PACKAGE. IF SOMEONE WILL NOT BE AVAILABLE AT YOUR HOME, CONSIDER HAVING THE PACKAGE SHIPPED TO YOUR WORK ADDRESS (INCLUDE YOUR COMPANY NAME). IF YOUR PACKAGE IS RETURNED TO US, WE WILL CHARGE YOU ADDITIONAL SHIPPING TO RESHIP IT.

EXPRESS SHIPPING MEANS THAT YOUR ORDER WILL BE SHIPPED VIA 2 BUSINESS DAY UPS. ACTUAL SHIPMENT TIME CAN VARY BASED ON WHETHER THE ITEM(S) IS IN STOCK AT THE TIME WE RECEIVE YOUR ORDER. IF YOU NEED YOUR ORDER AS SOON AS POSSIBLE, PLEASE CONSIDER PLACING YOUR ORDER OVER THE PHONE (800-338-6827) OR THROUGH OUR SECURE ONLINE STORE (www.rightstuf.com)

PREORDER RELEASE DATES CAN (AND OFTEN DO) SHIFT ABOUT WITHOUT THE MANUFACTURER INFORMING US. IF YOU ARE CONCERNED ABOUT YOUR PREORDER STATUS, PLEASE CONTACT CUSTOMER SERVICE AT ANY TIME.

PAYMENT METHODS:

WE ACCEPT CHECKS AND MONEY ORDERS IN US FUNDS. SORRY, NO INTERNATIONAL CHECKS. PLEASE MAKE ALL CHECKS / MONEY ORDERS PAYABLE TO THE RIGHT STUF INTERNATIONAL, INC. ALL CHECKS REQUIRE AT LEAST 18 DAYS TO CLEAR OUR BANK. SORRY, NO CODs.

WE ALSO ACCEPT THE FOLLOWING PAYMENT METHODS: MASTERCARD, VISA, AMERICAN EXPRESS, JCB, OR DISCOVER. SORRY, YOU CAN'T USE YOUR MOM'S SEARS CARD ... OR YOUR DAD'S AMOCO CARD. FOR SECURITY PURPOSES, WE MAY CONTACT YOU FOR ADDITIONAL INFORMATION.

PLEASE DO NOT SEND CASH THROUGH THE MAIL!!!

RETURN POLICY:

IF YOUR MERCHANDISE IS DEFECTIVE DUE TO A FLAW IN MANUFACTURING, WE ARE MORE THAN HAPPY TO REPLACE THE PRODUCT. UNOPENED DVDs AND VHS CAN BE RETURNED FOR A REFUND IN RIGHT STUF STORE CREDIT (OR IN THE CASE OF CREDIT CARDS, REFUNDED TO THE ISSUING CARD.) ALL RETURNS/REFUNDS MUST BE PROCESSED WITHIN THIRTY (30) DAYS OF THE DATE ON YOUR PURCHASE INVOICE. IF YOU NEED TO COMPLETE A RETURN/REFUND, PLEASE OBTAIN A RETURN AUTHORIZATION NUMBER FROM CUSTOMER SERVICE AT 800-338-6827 OR VISIT OUR ONLINE REQUEST FORM AT: <http://www.rightstuf.com/customer/requestform.shtml>

PRODUCTS RETURNED WITHOUT A RETURN AUTHORIZATION NUMBER, OR THOSE MORE THAN THIRTY (30) DAYS AFTER THE INVOICE DATE, WILL BE RETURNED TO THE CUSTOMER.

IF THE PACKAGE WAS DAMAGED WHILE IN TRANSIT (CRUSHED BOX): IF DELIVERED BY UPS, PLEASE CONTACT UPS DIRECTLY AT (800) PICK UPS OR IF DELIVERED BY MAIL, PLEASE CONTACT YOUR LOCAL POSTMASTER.

Shipments to Military Addresses and US Protectorates

Our domestic standard rates are simple: in the US including APO (AA, AE, AP), FPO, PR, GU and VI please use the Domestic Shipping Options. Please be aware that if you have a PO Box, or are stationed in the service, our standard shipping is limited to Priority Mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

Special Notes for our International Customers

Shipping companies may charge a fee for delivering your package to a foreign country. Such fees and customs duties are not included in our shipping price, and are your responsibility. We will not be responsible for seized shipments, and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering an adult product(s). For first time orders only, we require a copy of your a form of ID (can be drivers license, passport, etc) which shows your address along with a photocopy of BOTH sides of your credit card. This information is to help us keep down credit card fraud and is for your protection as well.

I'M RUNNING OUT OF FORMS!!

You are hereby authorized and deputized to use copies of this order form. As long as we can read it and all the information is there, you're fine. Xerox away.

**THANK YOU
FOR YOUR
COOPERATION
AND YOUR
BUSINESS!!**

SHIPPING INFORMATION:

PLEASE ALLOW 2-6 WEEKS FOR DELIVERY. IT WILL ALMOST CERTAINLY BE CLOSER TO 2 THAN TO 6 WEEKS, BUT WE LIKE TO ERR ON THE SIDE OF CAUTION. SHIPPING CONFIRMATIONS ARE OFTEN SENT VIA E-MAIL, SO MAKE SURE TO INCLUDE YOUR E-MAIL ADDRESS!

PLEASE MAKE SURE THAT THERE IS SOMEONE AT THE ADDRESS WE ARE SHIPPING YOUR PRODUCT TO WHO CAN SIGN FOR YOUR PACKAGE. IF SOMEONE WILL NOT BE AVAILABLE AT YOUR HOME, CONSIDER HAVING THE PACKAGE SHIPPED TO YOUR WORK ADDRESS (INCLUDE YOUR COMPANY NAME). IF YOUR PACKAGE IS RETURNED TO US, WE WILL CHARGE YOU ADDITIONAL SHIPPING TO RESHIP IT.

EXPRESS SHIPPING MEANS THAT YOUR ORDER WILL BE SHIPPED VIA 2 BUSINESS DAY UPS. ACTUAL SHIPMENT TIME CAN VARY BASED ON WHETHER THE ITEM(S) IS IN STOCK AT THE TIME WE RECEIVE YOUR ORDER. IF YOU NEED YOUR ORDER AS SOON AS POSSIBLE, PLEASE CONSIDER PLACING YOUR ORDER OVER THE PHONE (800-338-6827) OR THROUGH OUR SECURE ONLINE STORE (www.rightstuf.com)

PREORDER RELEASE DATES CAN (AND OFTEN DO) SHIFT ABOUT WITHOUT THE MANUFACTURER INFORMING US. IF YOU ARE CONCERNED ABOUT YOUR PREORDER STATUS, PLEASE CONTACT CUSTOMER SERVICE AT ANY TIME.

PAYMENT METHODS:

WE ACCEPT CHECKS AND MONEY ORDERS IN US FUNDS. SORRY, NO INTERNATIONAL CHECKS. PLEASE MAKE ALL CHECKS / MONEY ORDERS PAYABLE TO THE RIGHT STUF INTERNATIONAL, INC. ALL CHECKS REQUIRE AT LEAST 18 DAYS TO CLEAR OUR BANK. SORRY, NO CODs.

WE ALSO ACCEPT THE FOLLOWING PAYMENT METHODS: MASTERCARD, VISA, AMERICAN EXPRESS, JCB, OR DISCOVER. SORRY, YOU CAN'T USE YOUR MOM'S SEARS CARD ... OR YOUR DAD'S AMOCO CARD. FOR SECURITY PURPOSES, WE MAY CONTACT YOU FOR ADDITIONAL INFORMATION.

PLEASE DO NOT SEND CASH THROUGH THE MAIL!!!

RETURN POLICY:

IF YOUR MERCHANDISE IS DEFECTIVE DUE TO A FLAW IN MANUFACTURING, WE ARE MORE THAN HAPPY TO REPLACE THE PRODUCT. UNOPENED DVDs AND VHS CAN BE RETURNED FOR A REFUND IN RIGHT STUF STORE CREDIT (OR IN THE CASE OF CREDIT CARDS, REFUNDED TO THE ISSUING CARD.) ALL RETURNS/REFUNDS MUST BE PROCESSED WITHIN THIRTY (30) DAYS OF THE DATE ON YOUR PURCHASE INVOICE. IF YOU NEED TO COMPLETE A RETURN/REFUND, PLEASE OBTAIN A RETURN AUTHORIZATION NUMBER FROM CUSTOMER SERVICE AT 800-338-6827 OR VISIT OUR ONLINE REQUEST FORM AT: <http://www.rightstuf.com/customer/requestform.shtml>

PRODUCTS RETURNED WITHOUT A RETURN AUTHORIZATION NUMBER, OR THOSE MORE THAN THIRTY (30) DAYS AFTER THE INVOICE DATE, WILL BE RETURNED TO THE CUSTOMER.

IF THE PACKAGE WAS DAMAGED WHILE IN TRANSIT (CRUSHED BOX): IF DELIVERED BY UPS, PLEASE CONTACT UPS DIRECTLY AT (800) PICK UPS OR IF DELIVERED BY MAIL, PLEASE CONTACT YOUR LOCAL POSTMASTER.
